Peer Reviewed Inclusive Sustainable Masterplan Appraisal®

"PRISM has helped us bring forward proposals which are demonstrably more healthy and sustainable"

Patrick Conroy
Team Manager, Strategic Planning Policy and Specialist Advice Team, South Gloucestershire Council

"PRISM is an excellent methodology for engaging technical and non-technical stakeholders in improving the sustainability and health of a new development in a rapid and rigorous way."

Bill Gething
Chair of BRE's Sustainability Board
Author of InnovateUK's Design for Climate Chance, Previously:
Sustainability Advisor to RIBA-President,
Partner at Feilden Clegg Bradley
